Objective:

Soft skills are personal attributes that influence how well you can work or interact with others. These skills make it easier to form relationships with people, create trust and dependability, and lead teams. They also play an instrumental role while presenting oneself for a new job. Soft skills are necessary requirement while establishing effective and successful interactions. While discharging your duties at your work place you might be trying to settle a new contract, presenting our new idea to colleagues, and so on, you need to use soft skills. We use them every day at work. Developing these soft skills will help us win more business and accelerate our career progression. Keeping this in view this programme has been designed.
