Subject - Expressing gratitude for teaching at Online Certificate course in Yoga & Meditation.

R/s Sir,

I hope this finds you well. I want to thank you on the behalf of Anand Niketan College, Anandwan for your valuable insights as a Guest Teacher at the virtual event - Online Certificate Course in Yoga & Meditation. Organized on the occasion of 7th International Yoga day from May 21, 2021 to June 21, 2021.

Several feedback from the attendees of the class highlighted that they were deeply motivated and many were now keen to pursue Yoga with a new zeal. Students also realized the significance of fitness & wellness in their lives to achieve a holistic balance. The emphasis on the failures and the positive mindset with which one must overcome them was an eye opener to many. For such valuable jewels of wisdom, we hope and wish for your continued association with ANC and Anandwan family.

We believe that you are our partner in the process now and we wish you good health, many more accomplishments and newer heights in your journey.

We shall be very happy to host you at Anandwan. Please do treat this as a personal invite and as it will be our utmost honor and pleasure to have your company and for you to experience the 'Forest of Bliss' – Anandwan.

Thank you again. Your association with our organization is truly appreciated.

Yours faithfully
