

National Level Quiz to celebrate 'Wild Life Week-2020'

MAHAROGI SEWA SAMITI, WARORA,
ANAND NIKETAN COLLEGE ANANDWAN,
BOTANY DEPARTMENT, BOTANICAL
SOCIETY

Wildlife week is celebrated every year in the first week of October. This year, it would be celebrated from Friday, 2nd October to Thursday, 8th October, 2020. Wildlife week was conceptualized in 1952 with the overall goal of raising awareness for safeguarding the lives of wildlife through critical action. Due to COVID 19 pandemic we all are restricted to our places which hinder physical involvement in the activities. Therefore, Botanical Society of the Botany Department has organized this National level, general knowledge based quiz entitled, 'National and State Animals of India' for students, teachers, researchers and nature lovers with the principle aim to raise awareness about wildlife and its conservation.
