

### **7.1.3. Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste**

#### **A) Solid waste management**

Dust bins have been kept in every nook and corner of the campus. Students and faculties are advised to use these dustbins. It is processed as per the nature of the waste. The institution has an operational vermicompost unit in which the biodegradable solid waste is collected and utilized. Wastepaper is recycled to newspaper vendor for recycling at regular intervals.

#### **B) Liquid waste management:**

Liquid waste is disposed off in soak pits situated near the labs and toilets.

C] Biomedical waste management: - Not applicable.

D] E-waste management:

As part of its eco-friendly practices, the institution consistently tries to save environment from e-waste which is very hazardous to human life. The institution has signed an MoU with e-waste management company, **M/S SURITEX PVT LTD Butibori, Nagpur** that takes collected e-waste from the institution for its safe disposal.

The institution has also created e-waste collection centre for collection of e-waste from surrounding areas. Teaching, non-teaching and students are advised to make people aware of this facility in the college.
