**Suggestions of Student on Feedback and Action Taken
Report(2021-22)**

It is practice of the institution to collect feedback from all the stakeholders. NAAC Criterion 1 committee is assigned responsibility to collect feedback from all the stakeholders, analyze it and submit its report to IQAC that in consultation with administration takes the proper action.

Online feedback was obtained from students through Google form for the session 2021-22. After its analysis some useful suggestions are obtained. Following table shows suggestions. The concerned departments have been advised to comply accordingly.

SUGGESTIONS

B.Sc. PCM & PEM

Provide information of Internship and guide the interested students in the field of IT. Also organize programs related to entrepreneurship development.

Teach on board not a projector

Do syllabus more interesting

Principal
Anand Niketan College
Warora

B.Sc. CBZ

Give importance to cultural activities

As per college scheduled time-table our lecture was at the end that's why many students were not willing to attend this lecture after practical's and three continuous lectures. If possible, please try to shift the lecture before 12:30 pm. It'll be more helpful to attend the lecture because as a language subject it should be interesting rather than just to attend it for attendance forcefully for internal marks. Thank you!

Activity based learning

Syllabus should be related to the competitive exam

Change uniform ... We didn't like it ...

B.Com. (English)

Teaching staff should well experience

Introduce some technology in the classroom and personalize the learning experience of the students

Some teachers give full internal marks to students who don't attend college regularly and we take holiday for work, other days attend college still give us half marks, this is a injustice, and some teachers are such that they can't teach properly. You should sit and watch in class.

Requirement of proper classes and benches.

To improve teaching skills

Connects to student's individually

Use new teaching methods

Need of strong communication skills

We need practical knowledge to develop our skills efficiently at work.

Provide free book or notes to students

Case study based learning

Site visit

Guest lecturer of great business man's

Use of English or Hindi language while teaching

Study material is not available at right time due to which not able to study at right time for exam.

Organize other courses in college related to commerce field.

activities must be take in class

B.Com. (Marathi)

Practice test should be taken regularly

There should be Proper arrangement of classes and benches

M.Com.

If you think that the teacher teaches properly, and then check with the camera, the students are totally in loss, if the student doesn't go for tuition to teacher then internal marks are deducted. I am not satisfied with the teacher in the class. Anand Niketan College education has not been the same. Teacher targets student.
