Dear Sir,

This has reference to your Letter dated 06.10.2018, regarding industrial visit of the students of M.Sc (Chemistry) of your Institute.

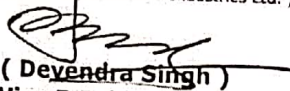

Your request has been considered by the Management. You are, accordingly, requested to send these students (Approx. 32 nos. + 12 Faculty Members) for this 'one day educational visit' to our Plant only on **15.10.2018 (Monday)**.

Please note that all students and faculty members should put on shoes. Students/faculty members putting chappal/sandals will not be allowed inside the factory - as 'SAFETY FIRST' is norms of the company.

Please be informed that this permission to your students will have no liability of any sort upon us.

Thanking you,

Yours faithfully  
For MANIKGARH CEMENT  
(A Div. of Century Textiles & Industries Ltd.)

  
( Devendra Singh )  
Vice President - HR

cc : HOD - PC&QC - to please provide an escort from your Department to guide the visitors.

**Sub: Visit to CSIR-NEERI**

Dear Mam,

This has reference to your Email dtd 28<sup>th</sup> June, 2019 regarding the visit of 25 Professors to CSIR-NEERI. The Professors may visit CSIR-NEERI on 16<sup>th</sup> July, 2019 between 10.30 am to 4.00 pm.

**Programme**

10.30 am	CSIR-NEERI audio-visual
11.00 am	Visit to Harit Sangrahalaya
11.30 am	Visit to Cleaner Technology & Modelling Division (Dr. Aabha Sargaonkar)
12.00 pm	Visit to Air Pollution Control Division (APCD)
12.30 pm	Visit to Water Technology and Management Division (WTMD)
01.00 pm	Visit to Waste Water Technology Division (WSTD)
	<b>01.30 pm to 2.25 pm (lunch break)</b>
02.30 pm	Visit to Solar Energy Park (EMD)
03.00 pm	Visit to Technology Park and Waste Management Park

Thanks and with regards,

Yours sincerely

## NEERI Tour Report

All faculties of Anand Niketan College, Anandwan were versed by visit to "National Environmental Engineering Research Institute" on 16<sup>th</sup> July 2019. First, we all settled in NEERI auditorium and watch an introductory video clipping. The clipping details, the cause of institution came into existence, types of work carried out (National and International). Also detailed, about the renowned projects carried out by NEERI, in India and Abroad and technologies developed. Then visit to "Harit Sangrahalaya", to explore the important projects carried out in poster / chart/model form. Dr. Prakash Kumbhare here addresses our team and guide us to involve in research work.

Then all faculties moved to "Cleaner Technology and Modelling Division". A brief detailing about the department was carried out by Dr. Aabha Sargaokar. Next we moved towards "Air Pollution Control Division". Sir, explained the aim and objective of division and mechanism of air monitoring and also showed the instrument of meteorology.

Further we visit to library section after having a lunch in canteen. Then to "Water Technology and Management Division". The division has well equipped laboratories specialized for analytical work (Physico-chemical Parameter) viz Drinking water, waste water and microbiological analysis. The division systematically displayed the posters of different projects and technology developed in their corridors.

Next visit is towards "Solar Energy Park". Dr. (Mrs.) Rayalu assistant, explained the mechanism and applications of the instrument in brief. Most exciting and catchy was "Waste Management Park" placed in open greenery- natural condition. The aim of this park is to convey and make aware a layman about the tones of waste we generate regularly. Through models/ charts/ pictorial a message was conveyed, how we can segregate these waste and reuse, recycle or kitchen waste can be compost. This reduces the heaps of waste.

The last visit to "Technology park" hub was too magnificent. The dome was full of different types of working reactors. Collectively the tour was very techno- informative.

A. N. College, Warora

Visit to CSIR-NEERI, Nagpur arranged on 16<sup>th</sup> July, 2019

#### ABOUT US:

Dharampeth M. P. Deo Memorial Science College, Nagpur, established in 1968 is a generic name, for "Excellence in Education". The educational institute has had the rich heritage and has witnessed steady progress since its inception. The college is situated away from the hustle and bustle of the city against the backdrop of a beautiful landscape blanketed in green near Ambazari Lake. The college campus offers a peaceful & serene atmosphere conducive for study. The Institute is spread over a large expanse of land with beautiful landscape. It has exceptional infrastructural facilities ranging from congenial ambience of premises to well-equipped laboratories. Our college is blessed with learned and committed teaching staff who not only strive hard to evolve and initiate innovative approaches to share knowledge and expertise in various fields of higher education but also kindle creativity and innovations in the students. We wish to provide a strong platform for educational dialogue and offer an ideal place for training and grooming of the students to accelerate their career growth. The college provides a congenial atmosphere for the learners & gives emphasis on enhancing their canvas through plethora of activities that also help the students in self exploration. The college is affiliated to Rastrasant Jyotiba Phule Mahavidyalaya, Nagpur and comes under the purview of 2f/12B of UGC Act 1956. The College is also re-accredited by NAAC in November 2017 and awarded 'A' grade with CGPA 3.01

#### ABOUT EQUIPTRONICS :

With 39 years of experience in designing expertise and skill, the highly experienced team of Equiptronics has been working for design, development and supply of reliable and cost effective digital equipments for analytical chemistry. The management of the company has agreed to give support to the workshop and the company deports their experts to show and share their rich experience in dealing with the various instruments in the workshop.

#### ABOUT WORKSHOP :

The workshop will focus on the use of instruments for analytical measurements, as well as frequently faced problems while using the equipments. The faculties, Research Scholars and PG students will be trained for operating the instruments, calibration and safer handling of the instruments. Following instruments will be used for Workshop-

pH Meter

Potentiometer

Digital Polarimeter

Digital Photofluorimeter

Digital Polarimeter

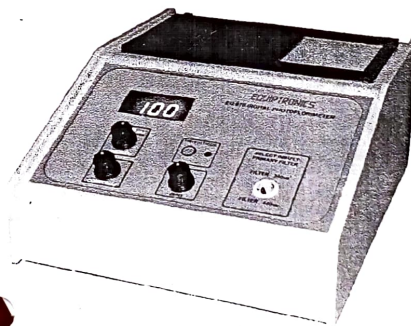

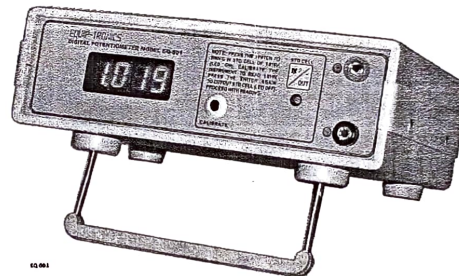

Digital UV/Visible Spectrophotometer

Conductometer

Digital Flame Photometer

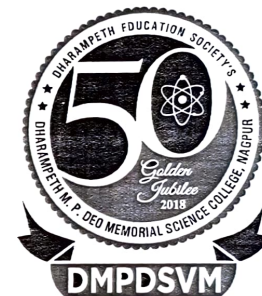

Digital TDS Meter

Digital Calorimeter

Subject: Permission for one day visit to Sai Hospital Pathological laboratory Anandwan on 11<sup>th</sup> February, 2020 at 7.30 a.m

Sir,

As per the Gondwana academic syllabus for B.Sc Sem VI, a skill enhancement course on Medical diagnostic was opted by Department of Zoology. In this reference, a visit of a one day to Sai Hospital Pathological laboratory Anandwan on 11<sup>th</sup> February, 2020 at was proposed. This visit will create an awareness and pathological skills among the students. Therefore, I request you to grant the permission for the same.

Thanking You

## NEERI VISIT REPORT

Date: 16/07/2019

The Anand Niketan College, Anandwan has organized visit to NEERI Nagpur for teaching staff members from Arts, Commerce and Science faculty on July 16th, 2019. Details of the visit are as follows:

- Departure form Anand Niketan College at 8.15 AM and reached NEERI at 10.53am
- Visit to Auditorium at 11.03am: Documentary on sustainable development, vision and mission of NEERI.
- 11.30 to 12.00 exhibition hall, R & D department Dr. Kumbhare. Discussion on issues related to science & social science.
- 12.15 Mathematical modeling of Climates, Environmental & Biological aspects related to climate change by Dr. Rakesh
- 12.20 Green building (APC Division) Air quality monitoring department. Video presentation on Air quality monitoring by Dr. Mrs. Khaparde
- 1.10 to 1.45 Lunch
- 1.45 to 2.30 Visit to Library
- 2.00 to 2.30 Visit to Water technology and management division.
- 2.30 to 2.55 Visits to Solar Park
- 2.55 to 3.15 Visit to Sewage water treatment plant
- 3.15 to 4.00 Visit Technology park
- 4.00 Tea at NEERI canteen
- 4 30 departure

We discuss the issue of fluorosis with water technology and solar energy based electrolytic Defluoridation plants can removal of fluoride produced by active species of hydroxide of aluminium produce by passing DC power through aluminium electrodes.

Overall, the visit to NEERI was fruitful.

## NEERI VISIT REPORT

Date: 16<sup>th</sup> July 2019

The IQAC of Anand Niketan College, Warora has organized an educational visit to NEERI Nagpur for all teaching staff on July 16, 2019. We are visited various departments of NEERI as follows:

- Visit to Auditorium a documentary film was shown on vision and mission of NEERI and sustainable development.
- Exhibition hall, R & D department Dr. Kumbhare. Discussion on issues related to science & social science.
- Mathematical modeling of Climates, Environmental & Biological aspects related to climate change by Dr. Rakesh
- Green building (APC Division) Air quality monitoring department. Video presentation on Air quality monitoring by Dr. Mrs. Khaparde.
- Visit to Library after lunch and observed some books.
- Visit to Water technology and management division. The technology developed by NEERI helped to set up solar electrolyte defluoridation plants at various plants affected regions in the country. The institute has developed a water purified system 'NEERIZAR' suitable for portable water supply particularly under emergency situation like heavy rain, cyclone, floods and does not need electric supply.
- Visit to Solar parks. E-waste management, cleaner technology and waste minimization, development of treatment system and source reduction & recycling. The scientists are trying to develop a cost effective process for bio-methanation of municipal solid waste with two phase approach to generate bio-energy from the municipal solid waste.

We can develop waste management system in our college premises. Department of Physics can also install solar water purifier for drinking water made by NEERI for the students, in our college premises.

Dr. A.A. Mistry

Mahatma Jyoti Bapu Samiti, Warora's  
**ANAND NIKETAN COLLEGE**

Science, Arts and Commerce

Anandwan, Warora - 429111

Re-Accredited With 'B+' Grade By NAAC

Recipient of Best College award by Gondwana University Gadchiroli.

---

**ACTIVITY REPORT**

**Academic Year: 2021-2022**

**Department: Physics**

**Name of the Activity: Educational and Industrial Visit**

**Duration of the Activity: Two Days**

**Date of the Activity: 28<sup>th</sup> & 29<sup>th</sup> April 2022**

**Venue: CIPET, Tadali, Chandrapur**

**Resource Person: Mr. Pushkar Deshmukh & Mr. Rahul Ukey**

**No. of Participants: 36 students & 8 faculty**

**Incharge Teacher: Roshana Maske**

**Objective:**

To understand the process of plastic product manufacturing that leads to the development of entrepreneurial skills among the students.

**Outcome:**

- During the visit students learn about the manufacturing process of plastic product from raw materials to finish goods.
- Students are aware about different job opportunities in the field of plastic product manufacturing.

Maharogi Sewa Samiti, Warora

# ANAND NIKETAN COLLEGE, WARORA

ANANDWAN, WARORA, Dist. CHANDRAPUR - 442 914 (M.S.)

Multi faculty Junior, Under Graduate & Post Graduate Institution

(Affiliated to Gondwana University Gadchiroli)
