College is imparting quality as well as valuable education to the socio-economically and physically challenged students of the region. The students are made to realize the basic aim of education to be a perfect human being.

The institute provides Higher Secondary Education, Undergraduate, Postgraduate and Doctoral programs. It is affiliated to Gondwana University, Gadchiroli and it is also accredited with NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL (NAAC). The Institute has signed MoU's with various National Institutes, Laboratories and Industries for academic and research interaction and collaboration for mutual benefit.

Objective of the MoU:

RCOEM and ANC recognize that academic and research collaborations would be mutually beneficial for both parties. The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity that would further the goals of each organization. Such interaction may include cooperation in a variety of joint academic and research activities.

It is envisaged that the RCOEM and ANC will undertake the following activities:

1. **Curriculum Development:** Involvement in curriculum development for Biomedical Engineering programme and its upgradation as per the requirement;
2. **Infrastructure Support:** Sharing Infrastructure facilities for conduction of laboratory work required for the execution of the Scientific and Research programme from both the institutes as per the mutually agreed schedule and conditions;
3. **Student Internship Program and Startups:** Support the student internship program as per curriculum structure and mentoring to Startups with mutually agreed conditions;
4. **Joint research proposal & publications:** To jointly prepare project proposals and submit to the relevant national and international funding agencies on mutually agreed subjects in Science & Technology to implement the approved projects by using capacities of both parties

5. **Technical training program & visits:** Joint conferences, invited lectures, workshops and training program organization, visits by faculty, technical staff and students from either organization will be organized on a mutually agreeable schedule.
6. **Joint Certification Program:** Short intensive courses and certification program, offered during summer break or between semesters, will be taught by resource persons from either organization with mutually agreed schedule and conditions;
7. **Co-teaching:** Involvement of resource persons for co-teaching with mutually agreed schedule and conditions.
8. **Intellectual Property Rights (IPR):** IPR titles or ownership of any product, proprietary information or technology tools, processes, utilities and methodology that will be the outcome of the activities undertaken by both the organizations will rest with both.
9. **Relationship of the parties:** For this MoU, both Parties are independent contractors. Parties are free to undertake activities mentioned above on their own with no liability on either party. Neither Party is authorized, in any manner, to make any commitment on behalf of or to bind the other party.
10. **Amendment:** This MoU may not be amended without the prior written consent of both Parties.
11. **Term:** This MoU shall be effective from the date of signing the document & will be valid for 5 years. Either party may terminate this MOU at any time by providing one (1) month written notice to the other party.

This MOU shall be identified as the parent document of any program agreement executed between the parties. Further agreements concerning any program shall provide details concerning the specific commitments made by each party and shall not become effective until they have been reduced to writing, executed by the duly authorized representatives of the parties.

The parties shall enter into specific written agreements whenever appropriate to clarify and define the nature, extent, and terms of operation for the proposed collaborations, including intellectual property ownership and funding issues. Any agreement entered into by these two organizations will require the approval of appropriate officers from each organization. For agreed upon activities, both organizations will make available their facilities and staffs.

This MoU is not legally binding to either of the parties and does not subject them to any liabilities for the breach of contract, whether material or minor of contract or any other liability under the national applicable law.
