

**ACTIVITY REPORT**

**Vaidu Sammelan – Workshop on Traditional Knowledge Documentation and its Conservation through IPR**

**Academic Year: 2019-20**

**Department: Botany**

**Name of the Activity: Vaidu Sammelan under the aegis of National Innovation Foundation-India**

**Duration of the Activity: 01 Day**

**Date of the Activity: 03<sup>rd</sup> August, 2019**

**Venue: College Auditorium**

**Resource Person: Dr. M. S. Bhoyar, Scientist-B, NIF-India, Gandhinagar, Gujrat**

**Coordinator: Dr. P. J. Wagh**

**Objective: To document traditional knowledge held by medicine men and herbal vendors living in the remote and rural part of the region by bringing them on a common platform and help them to protect indigenous knowledge through IPR.**

**Number of Participants: 50**

**Outcomes:**

- Total 50 participants including, medicine men, herbal vendors and research students participated in the gathering.
- Participants became aware and received guidance regarding the importance and procedure for systematic documentation of traditional knowledge through Intellectual Property Right.
- Indigenous knowledge holders were facilitated for their unsung services to the society.
- Students became aware about the tremendous potential of slowly declining Traditional Knowledge and customs.
- Research students received novel ideas and resources for research in conserving traditional knowledge particularly in the field of Medicine and Agriculture.
