Subject - Expressing gratitude for attending the virtual event - "International Webinar on Career in Basketball"

Dear Madam,

I want to thank you on the behalf of Anand Niketan College, Anandwan for your valuable insights as a Guest Speaker at the virtual event - "International Webinar on Career in Basketball"

Organized on the occasion of UN International day of Sports for Development & Peace on Sunday, April 11, 2021 at 9.00 AM.

Several feedbacks from the attendees of the session highlighted that they were deeply motivated and many were now keen to pursue sports with a new zeal. Students also realized the significance of fitness in their lives to achieve a holistic balance. The emphasis on the practice and the positive mindset with which one must overcome them was an eye opener to many. For such valuable jewels of wisdom, we hope and wish for your continued association with ANC and Anandwan family.

We believe that you are our partner in the progress now and we wish you good health, many more accomplishments and newer heights in your journey.

We shall be very happy to host you at Anandwan, INDIA. Please do treat this as a personal invite and as it will be our utmost honor and pleasure to have your company and for you to experience the 'Forest of Bliss' – Anandwan.

Thank you again. Your association with our organization is truly appreciated.

Yours faithfully

Subject - Expressing gratitude for attending the virtual event - "Sports Talk - Discover past, present and future of sports"

Dear Sir,

I hope this finds you well. I want to thank you on the behalf of **Anand Niketan College, Anandwan** and Anandwan sports community for your valuable insights as a chief guest at the virtual event - "Sports Talk - Discover past, present and future of sports" organized on the occasion of National Sports day on Saturday, August 29, 2020 at 12.30 PM.

Several feedbacks from the attendees of the session highlighted that they were deeply motivated and many were now keen to pursue sports with a new zeal. Students also realized the significance of fitness in their lives to achieve a holistic balance. The emphasis on the failures and the positive mindset with which one must overcome them was an eye opener to many. For such valuable jewels of wisdom, we hope and wish for your continued association with ANC and Anandwan family.

We believe that you are our partner in the progress now and we wish you good health, many more accomplishments and newer heights in your journey.

We shall be very happy to host you at Anandwan. Please do treat this as a personal invite and as it will be our utmost honor and pleasure to have your company and for you to experience the 'Forest of Bliss' – Anandwan.

Thank you again. Your association with our organization is truly appreciated.

Yours faithfully
