Environment, Health and Safety Committee

Report on the activities conducted in the Academic Session 2020-21

Academic session 2020-21 saw unprecedented challenges due to Covid – 19 pandemic. Right from Admission to Examination, all administrative and academic processes were carried out in online mode only. Students were informed about the aim, objectives, constitution and working of the Environment, Health and Safety committee and were asked to join voluntarily as class ambassadors. 29 students from all the semesters representing three faculties (Arts, Commerce and Science) at UG and PG levels responded assertively and joined as class ambassadors in the EHS committee. Due to closures and social distancing criteria some routine activities were suspended or postponed. Most of the activities were conducted in online mode involving quiz, seminar and poster competitions. Students were encouraged to participate in relevant activities and competitions organized by the college and other institutions.

Following is the list of activities conducted during the session;

- ✓ Corridor and campus beautification is carried out during the closure period with the help of restricted number of staff.
- ✓ In association with the Botanical Society in the Botany Department, a national level awareness campaign about use of botanicals against Covid-19 was organized from 8th to 14th July, 2020 in online mode. Total 611 participants responded from all over the country including 103 students from our college.
- ✓ In association with the Botanical Society in the Botany Department, 'Wildlife Week' was celebrated from 2nd to 8th October, 2020. In the National Level Quiz entitled, 'National and State Animals of India', a total 722 participants responded including 258 students of Anand Niketan College.
- ✓ In association with the Botanical Society in the Botany Department, an International level awareness quiz was organized to celebrate 'World Wetland Day' on 2nd February, 2021. Total 325 participants responded to the quiz including 71 students from the Anand Niketan College.
- ✓ In association with the Botanical Society in the Botany Department, an International level awareness quiz was organized to celebrate 'World Pulses Day' on 10th February 2021.
