WILDLIFE WEEK CELEBRATION 2021 – REPORT

Wildlife week is celebrated every year in the first week of October. This year it was celebrated from Friday, 1st October to Thursday, 7th October, 2021. Wildlife week was conceptualized in 1952 with the overall goal of raising awareness for safeguarding the lives of wildlife through critical action. Student community is the most suitable target for creating awareness about wildlife and their role in maintaining a sustainable ecosystem for a better future. The **Botanical Society** of the **Botany Department** in collaboration with **Tiger Research and Environment Education**, a Non-Government Organization at, Chimur has organized various information based participative activities for students at National level with the principle aim to raise awareness about wildlife and their conservation. Due to restrictions of COVID-19 pandemic, activities were conducted through online and offline modes. Excerpt of the activities conducted is as follows.

Day 01: Friday, 01st October, 2021– National level Online Quiz was organized entitled, ‘**Threatened Wildlife around World**’ to aware people about declining wild species mainly due to habitat destruction, hunting, poaching and illegal trading. Total **225 participants** from different states participated in the activity. E-Certificates were awarded to all the participants.

Day 02: Saturday, 2nd October, 2021 – National level Online Quiz was organized entitled, ‘**Tour to Indian Wildlife**’ to make students familiar with the wild fauna belonging to class Mammalia, Reptilia, Aves, Amphibia, and Pisces inhabiting in different parts of the country. Total **140 participants** from different states participated in the activity. E-Certificates were provided to all the participants on their registered email Ids.

Day 03: Monday, 4th October, 2021 – On the occasion of World Habitat Day, a National level Webinar was organized for students, teachers and researchers on the topic, ‘**Conservation of Biodiversity for Carbon Free World**’. Invited resource person for the talk was **Dr. Pitambar T. Humane**, Associate Professor, Dharampeth M. P. Deo Memorial Science College, Nagpur. Total **146 participants** from different corners of the country benefitted with the talk.

Day 04: Tuesday, 5th October, 2021 – Photo Exhibition of wild animals and plants was displayed for College Students under the theme, ‘**Local Biodiversity**’. Exhibition of **wild flora** was arranged in the **Botany laboratory** and inaugurated at the hands of **Dr. M. C. Kale**, Principal of the College. Exhibition of **wild fauna** was arranged in the **Zoology laboratory** and inaugurated by the hands of **Mrs. R. A. Sawane**, Vice-Principal of the college. All the students, teachers and non-teaching staff of the Junior College visited exhibitions and get aware about wild biodiversity existing in the region.

Day 05: Wednesday, 6th October, 2021 – Rangoli/Poster/Photography competition was organized through online mode with the theme, ‘**Wildlife Conservation**’ for UG and PG students. Total 16 participants shared their work in all the three categories and mentioned their active involvement with the wildlife concerns.

Day 06: Thursday, 7th October, 2021 – In collaboration with Forest Department, Chimur Range, photo exhibition of wild flora and fauna was organized under the theme, ‘**Biodiversity of Chandrapur District**’ at **Madanpur Tukum Gate, Chimur**.
