

Maharogi Sewa Samiti, Warora

ANAND NIKETAN COLLEGE, ANANDWAN

Green Campus Committee

Date: 12th August, 2019

Agenda of the Meeting

- 1) To formulate Green Campus Committee for the session 2019-20
- 2) To ensure students participation in the Green Campus Committee.

Decisions taken in the Meeting

- 1) Green Campus Committee is formulated for the Academic session 2019-20.
Following faculty members are voluntarily involved in the committee.

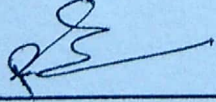

Conveyor : Dr. P. J. Wagh

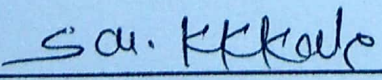

Member: Dr. R. R. Kamdi,

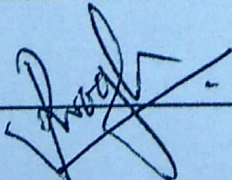

Member: Miss. K. K. Kale

- 2) Two student representatives from each class voluntarily joined Green Campus and Waste Management Committee for the current session. List of the participant student members is attached separately.

Members present for the Meeting:

Dr. R. R. Kamdi: 

Miss. K. K. Kale: 

Dr. P. J. Wagh: 

Green Campus Committee

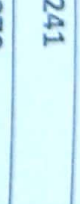

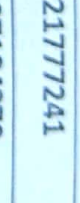

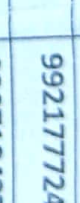

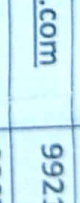

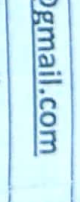

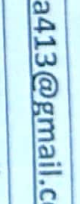

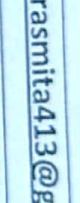

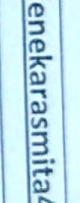

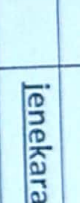

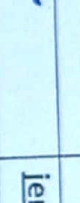

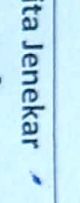

Activities in the academic session 2018-19

1. Conventional fluorescent tube lights (70 watt) were replaced with **LED bulbs (28 watt)** in order to reduce electricity consumption.
2. During plantation drive in the month of July, **5000 native tree species** were planted near Anandsagar in Anandwan premises under CSR programme '**Mahindra Hariyali Scheme**' sponsored by Manindra Tractor Company, Hingna MIDC, Nagpur.
3. All faculty members and office staffs were insisted to implement '**3Rs**' i. e., Reduce, Reuse and Recycle papers at personal as well as departmental levels.
4. An '**Ecofriendly Sanitary Napkin Incinerator**' has been installed in girl's common room for safe disposal of bio-wastes.
5. Efforts are taken for maintaining college campus '**Plastic Free**'.
6. **Drip irrigation system** is installed in order to reduce water and electricity consumption.
7. **Refurbished computers** were purchased.
8. **Harvested Rainwater** is used as distilled water by Department of Chemistry.

Activities planned for upcoming academic session, 2019-20.

1. Plan is ready for planting 6000 native tree species using '**Anandwan High Density Plantation**' pattern in college premise.
2. Planning to install **paper shredder** to convert paper wastes into fine strips which can be used as **substrate for Mushroom cultivation and Vermicomposting**.
3. Another plantation drive under '**Mahindra Hariyali Scheme**' is in pipeline. ✓
4. Placing indoor plants in laboratories in order to purify air. Establishing hanging garden with air purifying indoor plant species in laboratories.
5. Beautification of corridor.

List of Student Ambassadors in Green Campus and Waste Management Committee for Academic Session 2019-2020
