

7.1.3.3 - Green campus initiatives [2017-22]

The institutional initiatives for greening the campus are as follows:

1. Restricted entry of automobiles
2. Use of Bicycles/ Battery powered vehicles
3. Pedestrian Friendly pathways
4. Ban on use of Plastic
5. landscaping with trees and plants

The institutional initiatives for greening the campus are as follows:

1. Restricted entry of automobiles:

The institution has resolved not to drive motor vehicles into the campus to fulfill its commitment towards a Clean and Eco-Friendly Campus and preserving and conserving our environment. Teaching, non-teaching staff and students are instructed to drive their vehicles only up to designated parking places.

2. Use of Bicycles/ Battery powered vehicles:

Teaching, non-teaching staff and students are motivated to use bicycle, or battery powered vehicles.

3. Pedestrian Friendly pathways:

The institution has pedestrian friendly pathways in its campus.

4. Ban on use of Plastic:

With a goal to make the campus plastic free, the Institution has banned the use of plastic and plastic bags in the institution premises.

5. Landscaping with trees and plants:

The institution has a beautiful landscaping with trees and plants.
