Vision

The institution is established by great visionary Shraddey Baba Amte with the vision to uplift educationally, economically and socially underprivileged people through special focus on education and skill development which will lead them to live a dignified personal and social life. While in the college, institution makes the students and society at large realize that the leprosy is not a taboo or stigma. This is to be achieved through sustained efforts and initiatives.

Mission

- Our Mission is to inculcate independent thinking in individuals who will have a voice in society and become messengers of change. Through our value education and social outreach programmes, we foster a concern to elevate the standard of poor and oppressed. The aim of holistic education is to prepare our students to meet the challenges of life besides attaining academic excellence. Mission statements can be summarized as follows:
- To provide the facility of higher education to the students coming from inaccessibly remote, rural and backward areas. To expose the

students, from the rural and tribal areas to the rational and scientific attitudes, in addition to the formal courses pertaining to the Arts, Commerce and Science streams.

- To provide the platform to the students for all-round development of their intellectual, physical, aesthetic and social potentials.
- To encourage attitudes of integrity, hard work, honesty, fairness and tolerance in students so that they give their best to the society based on human values.
- To inculcate passion for excellence through information and communication technology, industrial exposures and scientific projects.

The distinctive characteristics of the college reflecting the vision and mission statement:

- Highly qualified and dedicated faculty imparts and inculcates the cultural and social values among the stakeholders.
- Adequate and well-maintained infrastructure, well-equipped Laboratories.
- ICT facilities in teaching learning and administrative process.
- Multiple combinations in UG programmes.

- P.G. programmes in Chemistry, Physics, Mathematics, Botany and Zoology, English, Marathi, History, Economics, Political Science, Sociology and Commerce.
- The institution has applied for recognition for Centre of Higher Learning and Research in the subject Physics, Chemistry, Electronics, Botany and Zoology.
- Holistic development through sports, NCC, NSS and extracurricular activities.
- The institution organizes programmes of birth and death anniversaries of social reformers.
- The students are encouraged to participate in various activities, such as, seminars, quiz on science, current affairs and essay competition, elocution competition and debate et al. Furthermore, the topics selected for these programmes make the students ponder over the problems of the rural inhabitants. Naturally, the pains taken up are not made in futility, but inculcate the sense of fraternity and nationality in the young minds.
