Recently college received the award from Gondwana University, Gadchiroli as a Best college in University. College is also accredited with NAAC-B++ grade.

**About FDP**

In an ever more complex and turbulent world, Higher Education Institutions (HEIs) are often considered as a key feature in economic competitiveness and local development. HEIs act both as knowledge producers and disseminators. Higher education institutions have to play a critical role in rural transformation. Whenever the pace of economic development is slow, the Governments motivate Higher Education Institutions (HEIs) to partake in the process of socio-economic development, especially in rural areas. HEIs have an important role to play in the process of changing lives of the people in the rural areas. Universities and affiliates have frequently been regarded as the key institutions in the process of social change and development. The most explicit role they have been allocated is the production of highly skilled human resources and perform high output research to meet the perceived needs of economy. This FDP will lead us to understand about the roles of HEIs in the rural development and in a way will show case all the opportunities available in the rural sector.

**FDP Objectives**

- 1) To train faculty members for Rural Community Engagements.
- 2) To provide information on various government schemes under which the rural development can be undertaken.
- 3) To present the changing profile of Rural India in terms consumption patterns, land use patterns, cropping, lifestyle, living standards and settlement patterns.
- 4) To explain rural poverty, dynamics.
- 5) To identify rural development programmes/initiatives in India, their coverage, outlays, modalities and outcomes.
- 6) To identify and check the village transformation and technology (including digitized financial transactions) interface in terms of information, participatory processes, mainstream and alternative cost-effective technologies, agriculture, rural livelihoods, rural entrepreneurship, rural tourism, rural health, rural industries, rural housing and rural infrastructure.
- 7) To prepare village development plan.

**FDP Outcomes**

After completion of the course, the faculty members will be able to:

- 1) Understand the social, economic, political and cultural framework of the rural society.
- 2) Address the challenges with suitable responses for the identified rural issues.
- 3) Engage in the activities of various Government Schemes with better understanding.
- 4) Engage in village development planning and village resource management functions.
- 5) Scout for more funding to different government organizations.
- 6) Drive meaningful student projects where extensive field work can be undertaken for more data.

**Resource Persons**

- > Practitioners from Rural Development.
- > Faculties from Higher Education Institutes

**Course Content**

- 1) Opportunities and Challenges for HEIs in Rural development
- 2) Use of Solar Energy for Energy Needs of Villages
- 3) Women Empowerment and Self-Help Groups
- 4) Biogas Technology for Rural Households
- 5) Role of HEIs in Rural Skill Development
- 6) Rural Entrepreneurship
- 7) Agri-based Entrepreneurship
- 8) Advanced techniques for farmers.

**Expected Participants**

- 1) Practicing professionals.
- 2) Faculties from different HIE's.
- 3) Participants from NGOs.

**Fee Registration**

The registration for the FDP is free.

## E-WAD 2022 – A Report

An online Workshop on Attitude Development (E-WAD 2022) was organised by Entrepreneurship Cell of Shrimati Binzani Mahila Mahavidyalaya and S.B.M.M. Alumni Association in collaboration with Indradhanu Cluster of Colleges during 7<sup>th</sup> – 12<sup>th</sup> of March 2022. With the objective of nurturing life skills among students, the institution has been organising this Workshop since last 10 yrs. It is not only a popular workshop among students but also one of the distinctive features of the college.

Since the global pandemic hit the country, the college has been organising this workshop in a novel E-mode. In the context of overall downfall in the economy, crisis in job market and challenges for start-up initiatives, the theme of 'Encouraging Entrepreneurship' was finalized.

The call for the registration of E-WAD 2022 was given in the beginning of the month of February. The workshop was free and registration was open to all those who were interested to step in the world of Entrepreneurship. A detailed brochure was prepared and widely circulated. The workshop got overwhelming response and 56 participants successfully attended the workshop.

During this One-Week workshop, every day a link of Google Meet on a specific module was posted on the E-WAD 2022 whats app group and Live Sessions were held. The participants, in their feedback expressed their contentment with the modules designed and delivered by various Resource persons. E-Certificates of Participation were awarded to the participants.

## Report

**One Day Virtual Workshop on “Management of Electronics waste and Plastic Waste: An Initiative towards Save Environment”** was organized by Department of Zoology on **30<sup>th</sup> June, 2021** at 12.00 p.m. The objective of workshop was to sensitize, motivate participants and to inculcate habit of proper management of Electronic and Plastic wastes.

Total 127 participants were registered through Google forms. Participants were mostly from different platforms viz Students, Faculty, Research Scholars, Contributory teachers, Project officers, NGOs to enrich the session.

Workshop comprises of two sessions, first session guest speaker was Ms. MahimaSuri, Head of Marketing & Business Development of Suritex Pvt. Ltd. It is the only registered company in Vidarbha which is actively involved in recycling of E-waste in a systematic & eco-friendly manner following the safety norms set by the Maharashtra Pollution Control Board (MPCB). Madam explained the importance of eco-friendly recycling of e-waste with the help of recorded videos. She shared the tips, how we can contribute towards save environment. She motivates the students to collect e-waste from their area and Suritex will purchase it and form a chain regarding e-waste recycling.

In the second session, Ms.Kalpana Chinchkhede, working as a Range Forest Officer, Medicinal Plant Forest Development Corporation of Maharashtra, discussed about plastic waste management. Madam being a good orator, precisely explained how plastic causing impacts to environment (Air, Water, and Soil), human beings and animals. She shared number of experiences, how animals engulf plastic along with food materials, aquatic animals gets entangled in plastic and leads to ailments and mortality etc. For proper disposal of snacks plastic and beverages bottles, Madam showed proper technique of preparing bottle bricks. These bottle bricks are very tough and can be replaced by traditional red bricks. Nowadays bottle bricks are used to prepare walls, furniture, decorative articles.Madam sensitized students about their responsibilities towards the save and healthy environment. Some tips was shared to achieve 3R i.e reduce, reuse and recycle.

Both the sessions was highly appreciated by the participants through Google Feedback forms in reference to content of presentation, quality and understanding the topic. Participants suggested to organize more such programs and drop a wish to be a part for drive “An InitiativeTowards Save Environment”

### **Programme Outcome:**

- Participants able to understand about hazardous impacts of Electronic and plastic towards their health as well as environment and animals.
- Participants learned about 3Rs i.e. reduce, reuse and recycling of wastes
- Participants acquire creative angle of disposing plastic waste by preparing bottle bricks
- Most of the participants are sensitized towards their social responsibilities and they came forward to volunteer the E-waste collection drive
