Memorandum Of Understanding

Between

**Visvesvaraya National Institute of Technology (VNIT), Nagpur, Maharashtra,
440010, India**

And

**MaharogiSewaSamitiWarora's
AnandNiketanCollege,Anandwan,
Warora,Dist.Chandrapur,Maharashtra,India-442914.**

This Memorandum of Understanding (MOU) is made and entered into by and between “**Visvesvaraya National Institute of Technology (VNIT), Nagpur, India**” and the, “**AnandNiketan College (ANC), Anandwan, Warora, India**”. The entities listed above may collectively be referred to as the parties to this MOU.

Article 1. SCOPE and PURPOSE

The main purpose of this MOU is to Promote an institutional linkage between VNIT and ANC and to explore avenues for possible collaboration in research and training of stakeholders broadly in the area Science, Engineering and Technology in which expertise exists and can be mentored by either or both of the two organizations.

Article 2: DURATION

This MOU will be in effect from the date of signing and remain in force until **Three Years** or until such time as proper notification, no less than 60 days in advance, is given by one or both of the parties of the intent to terminate or to modify the institutional relationship. The MOU may be renewed after three years depending upon the satisfactory review of progress/execution.

Article 3: ROLES AND RESPONSIBILITIES

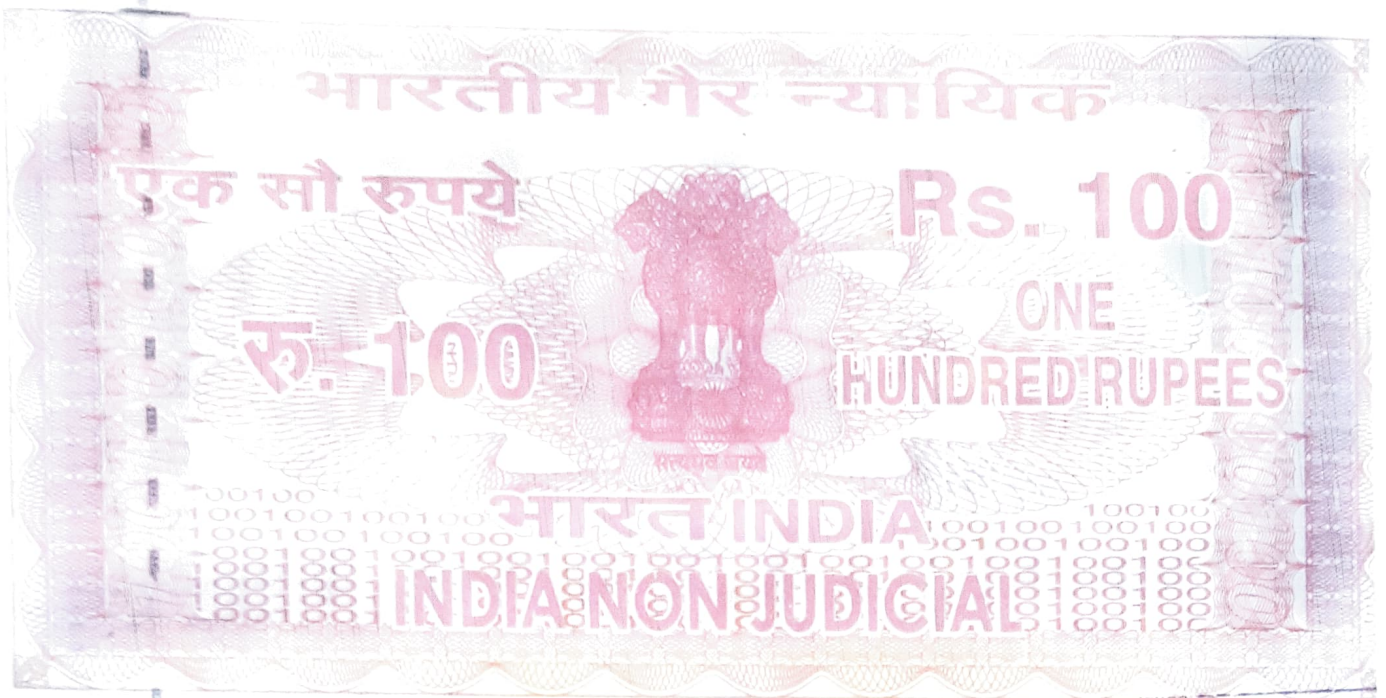

Both parties agree on the followings:

1. To designate contact person(s) to facilitate the contacts and progress of the Work.
2. Implementing joint projects and sharing experiences:
 - i. To jointly prepare project proposals and submit to the relevant national and international funding agencies on mutually agreed subjects in Science & Technology to implement the approved projects by using capacities of both parties.
 - ii. To exchange faculty, experts and students for sharing knowledge and experiences for shorter or longer research visits.
3. Collaborate in education of students and young scientists:
 - i. The respective faculty members of ANC and faculty members of VNIT will together formulate the syllabi for academic programmes, new courses, joint research projects and provide training for skill-oriented human resource development of the stakeholder within the areas of co-operation, faculty/research scholar exchange program, joint training programmes/workshops etc.
 - ii. The ANC may as well provide external guidance to two/three students at the B.Tech, M.Tech and/or M.Sc. level.
 - iii. Summer/Winter Internship Program: This MOU will provide opportunities to the students of VNIT to pursue Internship Program at ANC and students of ANC will also get an opportunity for internship in VNIT Guest Faculty/Visiting Faculty: VNIT will invite experts from ANC to share their experience with students of VNIT by delivering lectures on a mutually agreeable topic, date and time.
 - iv. Settlement of Dispute: Any dispute arising out of work related to this MOU will be settled through mutual discussion.
 - v. Force Majeure: The parties shall not be held liable for any breach of terms and conditions under this MOU, when such breach results from a Force Majeure event. This MOU is not intended to create any legal obligations but rather is intended to foster genuine and mutually beneficial academic and research collaboration.

Separate agreements will be prepared and signed by both parties in case that a project proposal succeeds and receives funding. The exact terms and conditions of future co-operation will be deliberated and documented in more specific national/international collaboration agreements.

College is imparting quality as well as valuable education to the socio-economically and physically challenged students of the region. The students are made to realize the basic aim of education to be a perfect human being.

The institute provides Higher Secondary Education, Undergraduate, Postgraduate and Doctoral programs. It is affiliated to Gondwana University, Gadchiroli and it is also accredited with NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL (NAAC). The Institute has signed MoU's with various National Institutes, Laboratories and Industries for academic and research interaction and collaboration for mutual benefit.

Objective of the MoU:

RCOEM and ANC recognize that academic and research collaborations would be mutually beneficial for both parties. The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity that would further the goals of each organization. Such interaction may include cooperation in a variety of joint academic and research activities.

It is envisaged that the RCOEM and ANC will undertake the following activities:

1. **Curriculum Development:** Involvement in curriculum development for Biomedical Engineering programme and its upgradation as per the requirement;
2. **Infrastructure Support:** Sharing Infrastructure facilities for conduction of laboratory work required for the execution of the Scientific and Research programme from both the institutes as per the mutually agreed schedule and conditions;
3. **Student Internship Program and Startups:** Support the student internship program as per curriculum structure and mentoring to Startups with mutually agreed conditions;
4. **Joint research proposal & publications:** To jointly prepare project proposals and submit to the relevant national and international funding agencies on mutually agreed subjects in Science & Technology to implement the approved projects by using capacities of both parties

5. **Technical training program & visits:** Joint conferences, invited lectures, workshops and training program organization, visits by faculty, technical staff and students from either organization will be organized on a mutually agreeable schedule.
6. **Joint Certification Program:** Short intensive courses and certification program, offered during summer break or between semesters, will be taught by resource persons from either organization with mutually agreed schedule and conditions;
7. **Co-teaching:** Involvement of resource persons for co-teaching with mutually agreed schedule and conditions.
8. **Intellectual Property Rights (IPR):** IPR titles or ownership of any product, proprietary information or technology tools, processes, utilities and methodology that will be the outcome of the activities undertaken by both the organizations will rest with both.
9. **Relationship of the parties:** For this MoU, both Parties are independent contractors. Parties are free to undertake activities mentioned above on their own with no liability on either party. Neither Party is authorized, in any manner, to make any commitment on behalf of or to bind the other party.
10. **Amendment:** This MoU may not be amended without the prior written consent of both Parties.
11. **Term:** This MoU shall be effective from the date of signing the document & will be valid for 5 years. Either party may terminate this MOU at any time by providing one (1) month written notice to the other party.

This MOU shall be identified as the parent document of any program agreement executed between the parties. Further agreements concerning any program shall provide details concerning the specific commitments made by each party and shall not become effective until they have been reduced to writing, executed by the duly authorized representatives of the parties.

The parties shall enter into specific written agreements whenever appropriate to clarify and define the nature, extent, and terms of operation for the proposed collaborations, including intellectual property ownership and funding issues. Any agreement entered into by these two organizations will require the approval of appropriate officers from each organization. For agreed upon activities, both organizations will make available their facilities and staffs.

This MoU is not legally binding to either of the parties and does not subject them to any liabilities for the breach of contract, whether material or minor of contract or any other liability under the national applicable law.

The following authorized individuals have signed the present MOU on behalf of their respective institutions:

Rajendra Purohit,
